

41st WORLD CHAMPIONSHIP SNOWMOBILE HILL CLIMB

Snow King Mountain; March 23 – 26, 2017

ENTRY:

One entry per driver per sled per class. **NO SUBSTITUTIONS OF DRIVERS.** Race committee has final approval of any and all entries and rules are subject to change.

MANDATORY PRE-REGISTRATION:

QUALIFIERS REGISTRATION: Any racer that qualified in 2014 at the Jackson Hole World Championship Snowmobile Hill Climb will be given the opportunity to enter prior to the opening of the RMSHA point registration. **2016 qualifiers entries must be received by February 10, 2017**, if not received by this date, you will have to qualify by RMSHA points. Qualification for 2017 Hill climb will be based on a 1 to 1 ratio with a maximum of 5 entries (i.e. qualify in 1 class receive 1 entry-qualify in 2 classes receive 2 entries, etc.) Points qualifiers from RMSHA will not exceed five (5) entries. **Point qualifiers must be RECEIVED by March 10, 2017.** The total number of entries will be limited to 325 pro entries. Any class with less than ten (10) entries will only be allowed to make one (1) attempt at the hill, this will constitute qualifying and finals. These classes will be raced on the day of the respective divisions. The first place racer will proceed to the King of the Hill runs on Sunday in their division.

TO QUALIFY FOR THE KING OF THE MOUNTAIN

Drivers must first win his/her class, then the first place winner of each class will run off for the King of the Mountain, division trophies and the title of World Champion Snowmobile Hill Climbers. There will be a King in MOD class, STOCK class & Improved Stock class. The three Kings from these divisions (Stock-Improved-Mod) will then go to compete for the overall King title. This will be the final event with each of the three division winners getting 1 chance at the mountain for the overall **KING** title. The Semi-Pro winner and Women of each of the three classes will run for Semi-Pro King & Queen title on Friday (weather permitting)

NO TEST FACILITIES; no sleds started before 8:00 a.m. or after the day's activities are finished

ANYONE IN DEFIANCE WILL BE DISQUALIFIED.

ALTERATION OF THE HILL when the hill becomes hazardous or disadvantageous, will be supervised by personnel authorized by the race committee.

There will be 24 HOUR SECURITY at the base of the mountain, courtesy of *Jackson Hole Snow Devils.*

PARKING is always a problem, please be prepared to help out. With the number of competitors and size of their trailers, it becomes more difficult each year to park them. As in years past, the ones that get parked near the pits are: (1) A Snow Devil member who contributes to the event or (2) a racer who shows up early Thursday morning at the bottom of Snow King to help set up. When the parking attendant(s) deem lot to be full, everyone else will be directed to upper Snow King Resort lot or the Rodeo grounds. Please stage all vehicles and trailers in an orderly fashion at the rodeo grounds prior to Thursday morning final parking.
